

Staples Advantage® is your one-source solution. Staples Advantage® has helped thousands of offices — of all sizes — drive down office product costs dramatically, with deeply discounted office products and the convenience of free next-day delivery on all orders over \$50. We can maximize your savings by consolidating all your product and service needs into one integrated, cost-effective program that's customized for your business. Whether it's office or facility supplies, furniture, print, technology or promotional products, we have it all. And our team of local experts will be there when you need them. Employees can take advantage of program as well!

### **OFFICE SUPPLIES**

It takes more than pens and paper clips to get your job done. That's why Staples Advantage® offers a growing selection of the products you rely on. From paper and ink & toner to desk accessories and notebooks, Staples Advantage® is your one-source solution.

### **PROMOTIONAL PRODUCTS**

Create a totally branded experience for your customers! From personalized staff uniforms to displays and giveaways, virtually everything you need for your business can be customized through Staples Promotional Products.

### **FURNITURE**

Furnish your entire business with all the latest furniture from Staples Advantage®. Staples Advantage® is your one-source solution.

### **FACILITIES/JANITORIAL**

A clean facility is professional and comfortable. With Staples Advantage®, you can save on everything you need to keep it sparkling, from cleaning chemicals and equipment to personal soaps and paper products.

### **TECHNOLOGY**

Whether you're shopping for a single mouse or developing a technology solution for your business, consider all the benefits of purchasing technology through the Staples Advantage® program.

### **BREAKROOM**

Keep your employees happy and increase productivity in your office with a fully stocked breakroom from Staples Advantage®.

### **SAFETY**

Protect your business and make the workday safer for your employees and everyone in your building with personal protective equipment and safety supplies from Staples Advantage®.

### **PRINT**

Staples Advantage® offers a wide selection of custom print products – beyond standard business cards and color copies – to help you successfully promote your business.
