

Start seeing jobs this week with the Xometry Partner Network

NTMA Members can now join the Xometry Partner Network to find real, fully vetted milling, turning, sheet metal fabrication, and additive manufacturing jobs that match your capabilities.

REAL ORDERS, NO BIDDING

Xometry provides all the job details (price, lead time, material, etc.) for you to view. If the job is a fit for your shop, simply hit the accept button and the job is yours!

NO COMMITMENT

Account setup is free and there is no monthly or annual fee – take work only when it makes sense for your shop.

GET PAID FAST

Xometry pays you within 20 business days of your submitted invoice date – no more net 30, 60 or 90!
