Wisconsin Manufacturing and Agriculture Credit	http://inwisconsin.com/grow/assistance/wisconsin-manufacturing-and-agriculture-credit/	The manufacturing and agriculture tax credit is available to individuals and entities for taxable years that begin on or after January 1, 2013, for manufacturing and agricultural activities in Wisconsin. The tax credit is available for income derived from manufacturing or agricultural property located in Wisconsin and will offset a significant share of Wisconsin income taxes. The credit is a percentage of "eligible qualified production activities income." The credit amounts to 7.5% of "eligible qualified production activities income," resulting in an effective corporate tax rate of 0.4% as of 2016.	Wisconsin Department of Revenue	Tax Credit	N/A	
Wisconsin Fast Forward Grant	http://wisconsinfastforward.com/wff_standard.htm	The Wisconsin Fast Forward program is a state-funded grant program that provides employer-led worker training grants. The Office of Skills Development (OSD) at the Department of Workforce Development (DWD) administers the grant program. OSD works to encourage the development of innovative solutions at the local and regional level that bring together employers, educators, workforce development entities, and economic development organizations to meet area workforce needs and increase the economic capacity of its residents. This grant opportunity is for employers who can demonstrate a critical need for skilled workers and are seeking Wisconsin Fast Forward training grants for developing and implementing a business-led skills training program. Grant awards range from \$5,000 to \$400,000 per Grantee. Cash or in-kind match equal to 50% of the amount of the grant award is required.	Department of Workforce Development	Up to approximately \$4 million is being made available for this GPA.	11:59 PM CST April 30, 2020	Check to see if grant is offered again FY 2021
Workforce Training Grants	http://inwisconsin.com/grow/assistance/training-grants/	Wisconsin provides Workforce Training Grants to assist businesses in workforce retention and expansion into new markets and technology. The program provides grant funds to businesses to upgrade or improve the job-related skills of their full-time employees. Grant funds may be approved for eligible training provided to existing and new employees in full-time jobs. Any business making a firm commitment to locate a new facility in Wisconsin or expand an existing facility within the state and is upgrading a product, process or service that requires training in new technology and industrial skills is eligible for a Training Grant.
