JobsOhio Workforce Grant	https://www.jobsOhio.com/why-ohio/incentives/jobsOhio-loan-and-grant-programs/jobsOhio-workforce-grant/	The JobsOhio Workforce Grant was created to promote economic development, business expansion, and job creation by providing funding for the improvement of worker skills and abilities in the State of Ohio. Grant decisions are based on a number of project factors, including but not limited to job creation, additional payroll, fixed-asset investment commitment, project return on investment, and project location. The program requires job creation and training of employees within a specified period of time and may consider the amount of proceeds per job created and employee trained. JobsOhio may consider providing assistance for eligible projects that improve operational efficiencies or production expansion, along with the retention of jobs. The JobsOhio Workforce Grant term is based upon the project's completion date. The JobsOhio Workforce Grant is reimbursement-based and requires supporting documentation. These two agencies work collaboratively to ensure that local grant recipients receive the technical assistance needed for program implementation and improvement.	Ohio Department of Education and Ohio Department of Higher Education			Building on a track record of career-focused education supports, the state is engaging in a longer-term planning process in order to produce a more robust four-year Perkins V Plan, which will be posted as a draft on December 1st, 2020.
Ohio Incumbent Workforce Voucher Program	https://development.ohio.gov/bs/bs_wvvp.htm https://incumbentworkforce.ohio.gov/1WPProgram2017/Account/Login.aspx?ReturnUrl=%2F1WPProgram2017%2F	Will fill a gap in current workforce development programs by providing needed training dollars to Ohio's incumbent workforce through a unique public-private partnership. The ultimate goal of this program is twofold: allow employers to retain and grow their existing Ohio workforce and create a statewide workforce that can meet the present and future demands in an ever changing economy. An eligible employer is one who operates as a for-profit entity in a state-designated targeted industry, with a facility located in Ohio that has been in continuous operation for the 12 months immediately prior to the application submittal. Targeted industries are: Advanced Manufacturing, Aerospace and Aviation, Automotive, BioHealth, Corporate Headquarters, Energy, Financial Services, Food Processing, Information Technology and Services, Polymers and Chemicals, Back Office, Logistics, or Research and Development. The company's NAICS code (http://www.naics.com/search.htm) will determine eligibility as to the targeted industry.	Ohio Development Services Agency			Will reimburse employers for up to 50 percent of the eligible employee training costs, up to \$4,000 per employee, after the employer pays the full cost of the training, and the employee successfully completes the training. The program will be administered on a first-come, first-served basis until all of the available funds are committed. After that time, applications will still be accepted and retained in a "queue" in the event that additional program funds become available.
