

Non-profit/Foundation Grant	Area Served	Description	Contact Info	Website
Facebook Small Business Grants Program	Be in or near a location where Facebook operates. After applications become available in your area, you will have 2 weeks to apply before the application deadline. April 18 - New York City and Seattle April 20 - San Francisco Bay Area April 22 - All other eligible US cities	We know that your business may be experiencing disruptions resulting from the global outbreak of COVID-19. We've heard that a little financial support can go a long way, so we are offering \$100M in cash grants and ad credits to help during this challenging time. Up to 30,000 eligible small businesses in more than 30 countries where we operate will be able to receive the grant. To be eligible to apply, you must: Be a for-profit company; Have between 2 and 50 employees; Have been in business for over a year; Have experienced challenges from COVID-19; Be in or near a location where Facebook operates.		https://www.facebook.com/business/boost/grants
Boulder Chamber COVID-19 Small Business Relief Fund	Boulder, Colorado	The Boulder Chamber, in partnership with the Community Foundation Boulder County, is responding to the urgent need for assistance to sustain Boulder's small businesses as they fight for their survival amidst the COVID-19 crisis. The goal of the Small Business Relief Fund is to expedite financial support for temporary relief for Small Businesses facing unexpected expenses, which are extra challenging to cover during this period of business inactivity due to the COVID-19 response. Grants up to \$2,500 per business will be available to meet these one-time needs. Grant applicants must be authorized representatives of small businesses defined as enterprises of between 2 - 50 employees, with principal place of business in the City of Boulder. Grant applicants must have experienced severe revenue loss and business distress due to COVID-19. Application Deadline: April 20, 2020 by 5PM MDT		https://boulderchamber.com/covid19sbrf/
Pikes Peak Enterprise Zone (EZ) Business Relief Fund	El Paso County, Colorado	The objective of the Pikes Peak EZ Business Relief Fund is to retain and bolster EZ businesses that have been negatively affected by COVID-19. A myriad of businesses in the Pikes Peak EZ will continue to experience a decline in business activity and revenue, and without access to financial resources, many locally owned businesses may permanently close their doors. Local retail, restaurants, and tourism-related businesses have been significantly impacted by COVID-19 and may be a focus area of this fund. Funds raised under this EZ project will provide to up \$7,500 of grant assistance to these adversely affected EZ businesses. Applications will be available on April 20, 2020.		https://admin.elpasoco.com/economic-development/enterprise-zone-contribution-projects/
Wheat Ridge Small Business Stabilization Program Application	Wheat Ridge, Colorado	The City of Wheat Ridge City Council approved a new Small Business Stabilization Program providing a total of \$250,000 in grants to small businesses in Wheat Ridge who have been significantly impacted due to the COVID-19 emergency. Each business is eligible for up to \$5,000 of the \$250,000 grant.		https://www.ci.wheatridge.co.us/ForCenter/City-Manager-2/Wheat-Ridge-Small-Business-Stabilization-98
Wisconsin State Math-Science Partnership Grants	Wisconsin	The Mathematics and Science Partnership Program discretionary grant is intended to increase the academic achievement of students in mathematics and science by enhancing the content knowledge and teaching skills of classroom teachers. Partnerships between high-need school districts and the science, technology, engineering, and mathematics (STEM) faculty in institutions of higher education are at the core of these improvement efforts. Other partners may include state education agencies, public charter schools or other public schools, businesses, and nonprofit or for-profit organizations concerned with mathematics and science education.		https://dpi.wi.gov/stem/grants/stem-science
Technology Education Foundation	Dane County and the greater Madison area, Wisconsin	TEF funds forward-thinking community groups, as well as education, technology, and science-focused organizations throughout Dane County. Westinghouse Charitable Giving Program	Organization must be within 50 miles from a Westinghouse or customer site.	The Westinghouse Charitable Giving Program provides financial support to communities in one or more strategic areas of giving: Education with a focus on Science, Technology, Engineering and Math (STEM), Environmental Sustainability, Community Safety and Vitality. Grants defined as education with a focus on STEM are those used to improve knowledge and literacy with a focus in the areas of science, technology, engineering and math among students, teachers and the general public.	Questions on the grant program can be emailed to hughe2d@westinghouse.com Proposals can be submitted to: WECgiving@westinghouse.com .	http://www.westinghousenuclear.com/About/Community-and-Education/Charitable-Giving-Program
Alliant Energy Foundation	The Alliant Energy Foundation's Community Grants are directed to programs and projects that benefit the residents and communities that Alliant Energy serves primarily in Wisconsin and Iowa. Non-profit organizations located outside of Alliant Energy's utility service territory but that serve populations in Alliant Energy's areas are also eligible for consideration.	The Alliant Energy Foundation is an independent, non-profit philanthropic organization funded solely by an annual contribution from Alliant Energy Corporation, using shareowner dollars. Community Grants are awarded in three major categories including: Helping Families, Education and Environment. The Education category will concentrate on various areas: job training, mentoring, public library support, financial literacy and STEM (science, technology, engineering and math) Education, which align with our business and help develop the Alliant Energy employees of tomorrow. 3M partners with schools, universities and other community organizations around the globe to ensure students and teachers have the tools, resources and knowledge they need to succeed. It is through these interactions that we support the next generation of great leaders, thinkers and creators. 3Mgives supports initiatives that increase student interest in STEM and business to help build a diverse pipeline of future leaders.	Contact the Foundation at (608) 458-4483 or by e-mail at foundation@alliantenergy.com .	https://www.alliantenergy.com/CommunityAndStewardship/CommunitySupport/GrantsAndCommunityPrograms
