Employment Internship Opportunities (EIO)	https://jobs.utah.gov/employer/07_84.pdf	Employment internship opportunities are intended to assist participating employers with temporary work needs, while giving trainees hands-on experience in a career setting. The Department of Workforce Services (DWS) administers employment internship opportunities in partnership with employers. We will develop a training outline based on your needs and the needs of the trainee. As an employer, you have the opportunity to help the trainee explore career options and/or upgrade his/her skills according to the agreed upon training outline.	Utah Department of Workforce Services	DWS will reimburse you for 100 percent of the trainee's wages during the employment internship opportunity. DWS will provide up to \$450.00 to train and supervise each trainee while participating on the three month employment internship opportunity.	N/A	
Federal Work Opportunity Tax Credit (WOTC)	https://jobs.utah.gov/employer/business/wotc.html	WOTC is a federal tax credit incentive that Congress provides to employers for hiring individuals from certain target groups who have consistently faced significant barriers to employment. The main objective of this program is to enable the targeted employees to gradually move from economic dependency into self-sufficiency as they earn a steady income and become contributing taxpayers. Participating employers are compensated by being able to reduce their federal income tax liability.	Utah Department of Workforce Services	\$2,400 - \$9,600 per individual		The WOTC program is for new hires who meet target group criteria and begin work after December 31, 2014 and before January 1, 2020.
Utah Veteran Employment Tax Credit	https://jobs.utah.gov/employer/business/vetcredit.html	The Utah Veteran Employment Tax Credit is for employers who hire qualified veterans. The credit is separate from the Federal Work Opportunity Tax Credit available to an employer who hires a veteran, especially one who is disabled. The federal and state tax credits can be combined if the veteran meets the eligibility criteria. Must be a recently deployed veteran who was mobilized to federal military service in an active or reserve component of the U.S. Armed Forces and received honorable or general discharge within 2 years prior to the employment start date.	Utah Department of Workforce Services	For each veteran hired, the tax credit begins at \$200 per month the first year, not to exceed \$2,400 per year, and increases the second year to \$400 per month, not to exceed \$4,800 per year.	Must be employed on or after January 1, 2012
