

Core Business Solutions, Inc. is Proud to Announce We are Now an Affinity Member with NTMA

We are ISO and Cybersecurity consultants. Our dedicated, expert consultants set us apart. Core Business Solutions offers **customized, simplified ISO 9001 and AS9100 consulting services for small businesses** seeking ISO 9001 certification and related standards. American owned and operated, we are committed to strengthening and improving America's small businesses. **Our team will walk you through [every step of the process](#)** improving your business on your way to certification and beyond.

Core provides **consulting, documentation, training and auditing support** for customers who are already certified as well. We created and continually update our [CORE Compliance Platform](#) which is used for implementation and maintenance of ISO, AS and CMMC standards.

The CORE Compliance Platform is cloud-based software used to manage your QMS. Special Autoforms and resources have been developed especially for Machine Shops for needs such as:

- Calibration Management
- Design Planning & Scheduling
- Preventive Maintenance
- Corrective Actions
- Supplier Corrective Action Request
- And many more!

As an NTMA member, you receive added value from Core. You receive a **5% discount** for consulting programs and also have access to online training for your QMS for many popular standards for Machine Shops such as ISO 9001, AS9100, ISO 13485, CMMC and more. We offer a 2 for 1 price for all NTMA members for online [Training](#).

Contact us at info@thecoresolution.com or call **866.354.0300** with questions regarding your certification needs, existing QMS maintenance needs, internal auditing services, training, and more!
