<td>Facebook Small Business Grants Program</td>
<td>Wheat Ridge, Colorado</td>
<td>The objective of the Pikes Peak EZ Business Relief Fund is to retain and bolster EZ businesses that have been negatively affected by COVID-19. A myriad of businesses in the Pikes Peak EZ will continue to experience a decline in business activity and revenue, and without access to financial resources, many locally owned businesses may permanently close their doors. Local retail, restaurants, and tourism-related businesses have been significantly impacted by COVID-19 and may be a focus area of this fund. Funds raised under this EZ project will provide up to $7,500 of grant assistance to these adversely affected EZ businesses. Applications will be available on April 20, 2020.</td>
