Rural LISC Relief Grants	As part of our continuing commitment to elevate our impact in rural America, LISC is inviting small business owners in rural locations across the country to apply for the LISC-Lowe's Rural Relief Small Business Grants program. Only small businesses located in rural communities are eligible at this time. Rural communities are defined as having a population of 50,000 or less. A community is defined as the city/town/village where your business address is located. If the business is mobile (a food truck, fishing boat, ride share driver, etc) please use the address where your vehicle is stored during non-business hours. LISC will use the funding to provide grants to businesses facing immediate financial pressure because of Covid-19.	<a href="mailto:SmallBusinessGrants@lisc.org">SmallBusinessGrants@lisc.org</a>	<a href="https://www.lisc.org/covid-19/small-business-assistance/rural-relief-small-business-grants/">https://www.lisc.org/covid-19/small-business-assistance/rural-relief-small-business-grants/</a>	900 Grants. \$18 million. Grants will be made in amounts ranging from \$5,000 to \$20,000.	<b>October 26 - November 2, 2020</b> <b>November 26 - December 2, 2020</b> <b>December 29, 2020 - January 5, 2021</b> <b>January 26 - February 2, 2021</b>	
Social Finance and Jobs for the Future/2020 Catalyzing Career & Technical Education Competition	Eligible applicants are Perkins-eligible CTE providers. Awardees will receive free technical assistance at no cost, a value of approximately \$150,000-\$225,000, to expand their CTE programs. Social Finance and JFF will provide a suite of expert consultation services, evaluate preparedness to scale programs, and explore new funding strategies with an eye for identifying whether outcomes-based funding might be feasible. Outcomes-based funding can take many forms, including performance-based contracts, social impact bonds, income share agreements, and outcome rate cards.		<a href="https://cte.ed.gov/initiatives/pay-for-success">https://cte.ed.gov/initiatives/pay-for-success</a>	Awards of free technical assistance and consultation services, a value of approximately \$150,000-\$225,000	<b>Deadline to notify Social Finance and JFF of intent to apply (strongly encouraged but not required) is October 16, 2020</b> <b>The deadline to apply is 11:59 pm Pacific Standard Time on December 4, 2020.</b>	<a href="https://socialfinance.org/octae/">https://socialfinance.org/octae/</a>

<p>LISC Small Business Relief Grants</p>	<p>Understanding the toll of small businesses closing their doors to help fight the spread of the COVID-19 virus, Verizon will donate \$2.5 million to Local Initiatives Support Corporation (LISC), a national nonprofit that has invested \$20 billion to fuel economic opportunity for people and communities across America LISC will use the funds to provide grants of up to \$10,000 to businesses facing immediate financial pressure because of COVID-19, especially entrepreneurs of color, women-owned businesses and other enterprises that don't have access to flexible, affordable capital in historically underserved communities. LISC will launch an online process for small businesses to submit applications for grants. Applications will be reviewed and then entered into a lottery. The grants are designed to help business owners fill urgent financial gaps - from paying rent to meeting payroll - Other corporations also send funding to LISC.</p>		<p><a href="https://www.lisc.org/covid-19/small-business-assistance/small-business-relief-grants/">https://www.lisc.org/covid-19/small-business-assistance/small-business-relief-grants/</a></p>	<p>Total Funding: \$ 7.5 Million Max Recipient Amount: \$10,000</p>	<p><b>Round 6 Applications must be submitted by Monday, September 7th at 11:59 PM ET.</b></p>	
<p>Hello Alice Business For All Grants</p>	<p>\$250,000 in grants will be awarded to Business for All applicants, as a critical step towards tackling entrepreneurs' single greatest barrier to growth: access to capital. Grantees will be selected by an esteemed council of leaders from across the business ecosystem, representing diverse organizations, industries, locations and demographics. Applicant must be the business owner who is the Founder and/or leading executive (President, CEO, CFO, COO, or any such other similar title.)</p>		<p><a href="https://businessforall.helloalice.com/about">https://businessforall.helloalice.com/about</a></p>	<p>Total Funding: \$250,000 One grand prize winner: \$50,000 business grant Two runners: \$25,000 business grant Twelve finalists: \$10,000 business grant Three business / entrepreneur support organizations</p>	<p><b>Friday, September 25, 2020, at 12:00 AM Pacific Time (the "BFA Contest Period").</b></p>	

				(nominated by you!) will each receive a \$10,000 grant to continue their work in supporting business owners		
Assistance for Small Business Owners Affected by COVID-19	Opportunity Fund is committed to supporting small businesses who are financially struggling amidst the COVID-19 outbreak. If you are a small business owner whose business has been impacted, please contact us directly so that we may better serve you. Please keep in mind that our ability to provide financial assistance is based on eligibility guidelines and funding availability. Day by day, we are working with partners, investors, and the government to secure additional funds so that we can support more business owners during this time.		<a href="https://www.opportunityfund.org/assistance-for-small-business-owners-affected-by-covid-19/">https://www.opportunityfund.org/assistance-for-small-business-owners-affected-by-covid-19/</a>	N/A	Rolling	
Stacy's Rise Project	Created to help bridge the funding gap for female founders, Stacy's Rise Project™ has been connecting and empowering women business owners for years. Alfred P. Sloan Foundation	<p>The Alfred P. Sloan Foundation makes grants through its various grantmaking programs. Grant applications are made to a particular program. Interested applicants should read carefully through the Foundation's program descriptions in the Programs section of the website. Each program page includes a statement of the program's goals, a description of the strategies employed, a list of recent grants, and a section with information about how to apply. Interested applicants are encouraged to browse through some of the grants made in the program to get a feeling for the kind of projects the program supports. Once a relevant program has been identified, an interested grantseeker should submit a Letter of Inquiry by email to the</p>	<p>Inquiries about Alfred P. <p>National Science Foundation (NSF) Advanced Manufacturing</p>	<p>Funding Number: PD-19-088Y          The Advanced Manufacturing (AM) program supports the fundamental research needed to revitalize American manufacturing to grow the national prosperity and workforce, and to reshape our strategic industries. The AM program accelerates advances in manufacturing technologies with emphasis on multidisciplinary research that fundamentally alters and transforms manufacturing capabilities, methods and practices. Advanced manufacturing research proposals should address issues related to national prosperity and security, and advancing knowledge to sustain global leadership. Areas of research, for example, include manufacturing systems; materials processing; manufacturing machines; methodologies; and manufacturing across the length scales. Researchers working in the areas of cybermanufacturing systems, manufacturing machines and equipment, materials engineering and processing, and nanomanufacturing are encouraged to transcend and cross domain boundaries. Interdisciplinary, convergent proposals are welcome that bring</p>	<p>Khershed Cooper (703) 292-7017          Bruce Kramer (703) 292-5348          Thomas F. Kuech (703) 292-8606          Brigid A.
