Workforce Innovation Grant Program	<a href="https://wedc.org/programs-and-resources/workforce-innovation-grant/">https://wedc.org/programs-and-resources/workforce-innovation-grant/</a>	<p>The Workforce Innovation Grant Program is a collaboration between the Wisconsin Economic Development Corporation (WEDC) and the Department of Workforce Development (DWD). The program provides up to \$10 million grants to regional organizations to design and implement innovative plans that help solve the workforce challenges the COVID-19 pandemic has caused in their regions. This program encourages the development of leading-edge, long-term solutions that enable businesses to more easily find workers and empower those workers to more successfully prepare for and connect to the family-supporting careers in their regions.</p>	Wisconsin Economic Development Corporation & Department of Workforce Development	up to \$10 million	Applications for Round 1 are due no later than 5:00 PM CST on October 25, 2021	Program dates and application details for Round 2 will be announced in 2022.

<p>Wisconsin Fast Forward Grant</p>	<p><a href="http://wisconsinfastforward.com/wffstandard.htm">http://wisconsinfastforward.com/wffstandard.htm</a></p>	<p>The Wisconsin Fast Forward program is a state-funded grant program that provides employer-led worker training grants. The Office of Skills Development (OSD) at the Department of Workforce Development (DWD) administers the grant program. OSD works to encourage the development of innovative solutions at the local and regional level that bring together employers, educators, workforce development entities, and economic development organizations to meet area workforce needs and increase the economic capacity of its residents. This grant opportunity is for employers who can demonstrate a critical need for skilled workers and are seeking Wisconsin Fast Forward training grants for developing and implementing a business-led skills training program. Grant awards range from \$5,000 to \$400,000 per Grantee. Cash or in-kind match equal to 50% of the amount of the grant award is required.</p>	<p>Department of Workforce Development</p>	<p>Up to approximately \$3 million is being made available for this GPA.</p>	<p>April 8, 2021</p>
