

# Key Advocacy Successes in 2022

NTMA has achieved many federal lobbying successes in 2022 through its One Voice advocacy team in Washington, D.C. This is just a partial list of accomplishments:

## SUPPLY CHAINS & TRADE

- Tooling included as priority in supply chain resiliency law
- Tariffs on Chinese tooling, dies, parts, remain
- NTMA testifies on steel tariffs
- Succeeded in passing semiconductor investment law
- Working with Commerce Department on CHIPS implementation

## WORKFORCE

- NTMA appointed as DoL Apprenticeship Ambassador
- Signed White House talent pipeline challenge
- Helped secure \$11b for workforce and R&D funding
- Lobbying to increase federal funding for career technical education
- Working to expand Pell Grants
- Manufacturing Institutes will now emphasize workforce, education

## TAXES

- Defeated tax increases on passthrough businesses
- Expanded new Advanced Manufacturing Production Credit to renewable energy components
- Lobbying to restart full expensing for R&D Credit
- Working to preserve 100% Bonus Depreciation
- Last-in-First-out coalition supporting LIFO
- Prevented lowering Estate Tax threshold

## REGULATIONS

- NTMA met with OSHA on indoor 80 degree Heat Index rule
- NTMA coalition working on temp worker regulation
- Lobbying to defeat PRO Act union bill in Senate
